INFORMATION DISCLOSURE STATEMENT TRANSMITTAL

Sir:

In accordance with Applicant's continued duty of disclosure, the documents on the attached Form PTO-1449 are brought to the Examiner's attention. A copy of the non-US patent document is enclosed.

The relevance of DE 8618859U is believed as follows. The document discloses triangular planform heatshield panels, each centrally mounted by a single fastener. Each panel appears non-contacting along its perimeter.

The undersigned hereby certifies that each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement.

The undersigned submits the above-identified references for independent consideration by the Examiner and does not make any admission that these references are or are not material to the present invention or that these references are or are not prior art with respect to the present invention.

No fee is believed to be due as a result of this response.

Should the Commissioner determine that a fee is due, he is hereby authorized to charge said fee to the Deposit Account of record.

Respectfully submitted,

Steven W. Burd
